

## Analysis of market power in the electricity market

Prof. Carlo Andrea Bollino,

University of Perugia, Italy; KAPSARC, Saudi Arabia; Technische Universitaet Berlin, Germany

- 1 Generation structure, merit order, peak load pricing
- 2 Structure of the power grid, transmission bottlenecks
- 3 The exercise of market power on the supply side and how to measure it
- 4 The exercise of market power on the demand side and how to measure it
- 5 Market power and renewables, optimal market design
