

ADDENDUM
to the
Agreement for an International Doctoral Program in Science dated May 12, 2016
(“the Agreement”)
between
Katholieke Universiteit Leuven (hereafter ‘KU Leuven’),
Pontificia Universidad Católica de Chile,
the University of Notre Dame du Lac and
Università Cattolica del Sacro Cuore
(“Partner Universities”)

WHEREAS, on May 11, 2020, the Partner Universities desire to enter into this Addendum to the Agreement, in order to effect additional terms as set forth herein;

NOW, THEREFORE, in consideration of the promises and mutual covenants set forth herein, the receipt and sufficiency of which are hereby acknowledged, the Partner Universities agree as follows:

1. For the purposes of this Addendum, all capitalized terms used herein and not otherwise defined shall have the meaning set forth in the Agreement.
2. Pursuant to the mutual agreement of the parties, the **term** of the Agreement is extended for a term to include an additional four (4) cohorts of the International Ph.D. in Science over the period 2020-2021 to 2026-2027.
3. Pursuant to the mutual agreement of the Partner Universities, the Agreement will no longer be limited to graduate/PhD students in Science and therefore the **scope** of the Agreement will be extended:
 - a. as for KU Leuven: to all PhD students admitted to one of the faculties belonging to the KU Leuven Group Engineering, Science and Technology (including the Faculty of Engineering Science, Faculty of Science, Faculty of Engineering Technology, Faculty of Bioscience Engineering and Faculty of Architecture)
 - b. as for University of Notre Dame du Lac: to all PhD students admitted to the College of Engineering and faculty within the College of Engineering
 - c. as for Pontificia Universidad Católica de Chile: to all PhD students admitted to the School of Engineering and faculty within the School of Engineering.
4. All PhD students participating in this Program will be required to sign an Individual Appendix to the Agreement that will specify the research project along with all the curricular and graduation requirements to be accomplished in order to be awarded a

from the Host University in conformity with its policies. This Individual Appendix Agreement will be signed by the university legal representatives.

5. Eligible students will be awarded a fellowship according to Supporting University internal regulations.
6. In all other respects, the terms and conditions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the undersigned parties have set their hand on the date first recited above.

KU LEUVEN:

The Rector, prof. dr. Luc Sels

For acknowledgment
The Research Coordinator of Science,
Engineering & Technology
Prof. dr. Ronald Cools
